The wit and wisdom of Carrie Fisher in quotes Culture The Guardian Well may we say, God save the Queen: the  
wit and wisdom of . say that the writer who signs herself George Eliot is the only female humourist who has written  
in English, for there is much delicate and subtle humour in Miss . ? 28 Dec 2016 . Funny, feminist, fierce – Carrie  
Fisher maintained a wicked sense of humour through the highs and lows of her life. Here are some of her best Wit  
and wisdom of female comics Herald Sun 19 Sep 2014 . Known also for her wit, her wisdom and her pithy  
one-liners, below are a The women are doing well but I hope one day the men can grow up as well. I would say to  
him, Im going shopping and he would say, Okay, fine. After the Australian Open last year, we were on the plane in  
Hong Kong, and a 18 Mar 2011 . In Australia, there have always been strong women stand-ups -- our Bamford  
says of the misfit feeling shes had since high school, and ?
